Income Tax Advice

OVERVIEW

At Neal Gerber Eisenberg we assist our business and institutional clients nationwide with corporate income taxes, including planning, tax-exempt status and nonprofit formation, tax compliance matters, and franchise and partnership taxes. Our cross-sector clients include limited liability companies, flow-through entities, tax-exempt organizations and nonprofits, S corporations, closely held businesses, family offices and entrepreneurs. Should the need arise, we are very capable in assisting clients before agencies and in court during tax audits, protests and specialized tax litigation and appeals. Our Tax practice is recognized by *Chambers: USA – America's Leading Lawyers for Business* in both the Tax and Tax: Controversy categories.
