The Rights and Duties of Insurers and Insureds Under Self-Insured Retentions

NGE Insurance Policyholder partner Seth Lamden recently co-authored the article "The Rights and Duties of Insurers and Insureds Under Self-Insured Retentions," published in the Fall 2020 issue of *The Brief*, American Bar Association Tort Trial & Insurance Practice Section, Vol. 50, No. 1. In the article, Seth discusses how the economic fallout of the COVID-19 pandemic is likely to bring an increase in self-insured retention (SIR) insurance programs, the tensions and disputes that can arise under an SIR arrangement, and how SIRs work in bankruptcy.
