Cyber and Data Risk Insurance Master Class: Evaluating Coverages, Assessing Needs and Negotiating and Customizing Key Policy Provisions

On April 12, 2018, Seth D. Lamden will be presenting on "Cyber and Data Risk Insurance Master Class: Evaluating Coverages, Assessing Needs and Negotiating and Customizing Key Policy Provisions" at the American Conference Institute's (ACI) Legal, Regulatory & Compliance Forum On Cyber Risk & Data Security. The discussion will explore every facet of a cyber and data risk policy including defining key terms, evaluating coverages, drafting provisions, and outlining limitations and exclusions.
