Patent Claim Construction in the Federal Circuit, 2019 Edition

James Muraff, partner in the Intellectual Property practice group, was a contributing author for the 2019 edition of *Patent Claim Construction in the Federal Circuit*, published by Thomson Reuters. The book collects caselaw dealing with every aspect of patent claim construction in the Federal Circuit, and presents the cases decided in the past year on each point, and is a resource for everyone who has to know or give an opinion on what a patent covers.
