### Sonia Menon Quoted in SHRM Article on Employee Benefits

On March 24, Neal Gerber Eisenberg COO Sonia Menon was quoted in the *Society for Human Resource Management* article "3 Ways to Support Workers Who Are Starting Families," about new employee benefits offered by NGE. In the article, Sonia discusses the firm's partnership with Nubundle, which offers resources and support for NGE employees who are exploring and undergoing fertility treatment. The service is one of several new benefits for employees, including homecare resources for aging relatives, identity theft protection services, and stress-management guidance.
