Kenny Matuszewski Wins Two Awards from the Chicago Bar Association's Young Lawyers Section

Kenny Matuszewski, an associate counsel in the firm's Intellectual Property & Technology Transactions group, was recently selected for two awards from the Chicago Bar Association's Young Lawyers Section (YLS). Kenny previously won the Rising Star Award in 2019, which is awarded to a new YLS Executive Council member who has shown exceptional promise as an emerging leader.

The first award is the David C. Hilliard Award for Outstanding Committee Service, which recognizes Kenny's outstanding committee service on the Intellectual Property Committee, and his exceptional performance in that role throughout the bar year.

The second award is the Impact Award for Leaders with Substantial Impact on the Section, which recognizes Kenny for going above and beyond the call of duty to serve the 8,000+ members of the YLS across the Chicagoland area. This award is reserved for the rare few individuals whose work has significantly bettered the section, and is not intended to be given each year. Kenny is the second person ever to receive this Impact Award.
