Getting Insurance Coverage for COVID-19 Business Interruption Claims: New Helpful Evidence and a Cautionary Tale

Insurance Policyholder attorneys Angela Elbert, Paul Walker-Bright and Nicholas Graber recently authored the article "Getting Insurance Coverage for COVID-19 Business Interruption Claims: New Helpful Evidence and a Cautionary Tale," published by the Association of Corporate Counsel (ACC) Chicago chapter. In the article, Angela, Paul and Nick detail the rulings on recent COVID-19 business interruption claims and what they mean for other businesses impacted by the pandemic.
