Attorney Alumni Network

The Neal Gerber Eisenberg Attorney Alumni program aims to create a strong and lasting network of legal professionals who have been a part of our journey since the firm's founding in 1986. We are dedicated to fostering meaningful connections, providing continuous learning opportunities, and supporting the personal and professional growth of our valued alumni.

Our alumni are an integral part of the Neal Gerber Eisenberg family. A diverse and esteemed group of individuals, our alumni are leaders in the legal field, valued clients, and prominent executives across various industries. We acknowledge the importance of those that have helped build our firm and look to support our alumni community by promoting communication and creating a space for collaboration.
