### Construction Risk Shifting in Illinois

[View Materials](#)

**Date:**

Thursday, February 1, 2018

**Time:**

8:00 – 8:30am – Registration & Breakfast

8:30 – 9:30am – Program

This complimentary breakfast presentation will discuss how project owners and contractors manage construction-related risks in Illinois using insurance products and contractual provisions. Presenters include the Vice President of Risk Management for one of the largest general contractors in the United States; a construction attorney who focuses her practice on representing project owners in negotiating construction contracts; and an insurance attorney who regularly represents insurers and insureds in construction-related coverage disputes.

Some of the topics that will be explored are:

- Liability insurance, including tips on how to choose the correct additional insured endorsement for a construction contract and other important insurance specifications.
- Indemnity, limitations of liability, and other contractual provisions.
