### ESG Investing: A Conversation on Impactful Investing

Michael Gray, leader of the firm's Private Equity, Venture Capital & Growth Companies practice, recently led a webinar discussion on "ESG Investing – A Conversation on Impactful Investing." The panel of industry leaders discussed the fundamental principles and framework of ESG investing, and shared their thoughts on current trends, the latest developments, and the future of impactful investing.

Michael was joined by Ana Dutra, CEO of Mandala Global Advisors; Amy Francetic, Co-founder of Buoyant Ventures Management; and Eric McKissack, Former CEO & Founder of Channing Capital Management.
