John Biek Presents at PLI Tax Strategies Conference in Chicago

John Biek presented on the “State and Local Tax Issues in Corporate M&A Transactions” panel at the PLI Tax Strategies for Corporate Acquisitions, Dispositions, Spin-Offs, Joint Ventures, Financings, Reorganizations & Restructurings 2023 in Chicago. The panel explored state and local tax considerations in corporate transactions and tax-free reorganizations. Topics included learning to navigate common pitfalls in determining the tax-free status for state and local purposes, assessing transfer tax liabilities in real estate transactions, and recognizing common issues in state tax due diligence.
