Keeping Up With HR & Legal Issues in the Digital Age

Labor and Employment practice group chair Bill Tarnow and Labor and Employment partner Jason Kim were featured speakers at the "Speed HR: Fast Paced Learning" presented by the Society for Human Resource Management (SHRM) Chicago chapter on September 26, 2013. Bill and Jason's presentation was entitled "Keeping Up With HR & Legal Issues in the Digital Age" and discussed challenges for employers with the rise of technology use in the workplace.
