NGE Attends the American Conference Institute's 12th Annual Summit for Women Leaders in Life Sciences Law

Intellectual Property Partners Kate Campbell and Emer Simic will attend the American Conference Institute's (ACI) 12th Annual Summit for Women Leaders in Life Sciences Law, which will take place from July 30 to 31 in Boston, MA. This event allows attendees to connect with industry leaders and learn more about the latest challenges and developments from medical device, pharmaceutical and biotech professionals.

On Wednesday, July 30, Emer will participate in the panel discussion "The Art of Failing Forward: Personal Stories of Turning Career Missteps into Stepping Stones to Success." This session will explore how career setbacks can lead to growth. Panelists will also share personal anecdotes of career challenges and lessons learned. This program will discuss reframing failure, navigating challenging moments and using those experiences to support others.
