The Post-COVID-19 Workplace: Safety and Productivity in a New Normal

On Thursday, August 6, Labor & Employment partner Jason Kim participated in the webinar discussion “The Post-COVID-19 Workplace: Safety and Productivity in a New Normal,” hosted by Crain’s Content Studio. Jason discussed how companies will transform their work spaces and employ new technologies to ensure the safety of their employees, plus the long-term impacts of COVID-19 will have on the world of work.
