NGE Represents Chowbus in its Series D Financing Round

NGE served as counsel to Chowbus in its \$21 million Series D financing round. NGE partner Greg Grove also served as advisor in the earlier \$15.5 million Series C, \$30 million Series B, \$33 million Series A, and \$4 million Series Seed financings as well as prior pre-seed capital raises.

Chowbus is a developer of restaurant technology platforms and a food delivery service designed to offer authentic Asian food to people and to help restaurant owners manage restaurant operations. Their platform empowers local restaurants with technology, tools, and marketing to grow their business.

The NGE team was led by corporate partner Greg Grove with assistance from partner Brian Crump, associates Madison Schmid and Nancy Zhao, and project assistant Ryen Delaney.
