NGE Represents Shure in Acquisition of Stem Audio

NGE served as counsel to Shure, a global leader in audio technology, in its acquisition of Midas Technology, Inc., also known as Stem Audio, which specializes in providing a suite of conferencing audio solutions including table, ceiling and wall microphones as well as loudspeakers, control interfaces and hubs. With the acquisition of Stem Audio, Shure will be able to further expand and diversify its solution offering for organizations of all sizes.

The NGE team was led by Josh Klein and Bill Lenz with assistance from Sonya Rosenberg, Patricia Cain, Jeff Shamberg, Jonathan Levine, Alfred Tam, Calida Taylor, Eric McLimore, Karen McElligatt and Beth Messina.
