NGE Represents Upfront Healthcare in Raising \$11.5 Million from Series B Funding Round

NGE served as counsel to Upfront Healthcare, a leading omnichannel communication and patient engagement platform, which raised \$11.5 million in a Series B funding round, led by new investor Baird Capital and existing investor LRVHealth, along with participation from other Series A investors. Upfront has received \$21.5 million in financing to date. The NGE team was led by Corporate & Securities partner Josh Klein with assistance from Jonathan Levine, Tara Anderson and Rebecca Benner.
