### Sonia Menon Named to *Crain's* 2022 Notable Leaders in Sustainability

NGE is proud to announce that Chief Operating Officer Sonia Menon was selected among *Crain's Chicago Business* 2022 Notable Leaders in Sustainability.

*Crain's* recognized Sonia for her work as leader of the firm's Sustainability Committee. During her tenure, the firm has achieved numerous quantifiable sustainability goals, such as reducing energy consumption by 40% and transitioning to using 100% renewable energy.

The list honors senior business executives driving corporate stewardship to make measurable impacts to enhance the environment.
