### Andrew May Quoted in *Bloomberg Law* Article, "Diverse Justices Set to Shift Illinois Supreme Court's Direction"

Andrew May, partner in the firm's Litigation and Insurance Policyholder practice groups, was quoted in the *Bloomberg Law* article "Diverse Justices Set to Shift Illinois Supreme Court's Direction." The article discusses the Illinois Supreme Court's recent demographic shift, marked by more women, Democratic, and Black jurists, which is seen as potentially injecting new vigor into the traditionally cautious court, with expectations of possible shifts in state laws and precedents.
