### David Wheeler featured in *Corporate Compliance Insights* Article, "Flying Blind on AI: The New Normal for Compliance Teams"

David Wheeler, Intellectual Property Partner and leader of NGE's Cybersecurity & Data Privacy team, was quoted in Corporate Compliance Insights' article, "Flying Blind on AI: The New Normal for Compliance Teams". David spoke about federal regulation of AI, when and how to use it in the legal industry and understanding the limitations of AI for professional utilization. The article also details how companies are approaching internal AI usage, navigating false information and educating employees about AI's capabilities.
