David Wheeler Quoted in Law360 Article on the Concerns Legal Tech Leaders Have Going Into 2024

David Wheeler, partner in the Intellectual Property group and leader of the Cybersecurity & Data Privacy team, was quoted in the article "The Concerns Legal Tech Leaders Have Going Into 2024" published by *Law360*. The article looks at concerns that legal tech leaders will be watching in 2024, including expanding the use of generative AI, fortifying cybersecurity, navigating the evolving data privacy landscape, continuing the adoption of cloud technology, and addressing the increased consolidation within the legal tech sector.

David emphasizes the perpetual challenge in cybersecurity: "Even as we develop more and more fortifications against cyberthreats and cyberattacks, those are overcome by the genius of the new breed of hackers."
