Emer Simic Quoted in Law360 on Patent Cases to Watch

Emer Simic, partner in the firm's Intellectual Property group, was recently quoted in the Law360 article "5 Patent Cases to Watch in the Second Half of 2021," published on July 7. Emer discusses American Axle's petition challenging the Federal Circuit's invalidation of its drive shaft patent, plus the impact the next USPTO director could have on *Apple v. Lancu*.
