### John Biek Quoted in *Law360* Article "State And Local Tax Cases To Watch In 2023"

John Biek, a partner in the Tax practice group, was recently quoted in the *Law360* article "State And Local Tax Cases To Watch In 2023." The article presents state and local cases that tax professionals will pay close attention to this year.

In the article, John discusses watching the California litigation closely because P.L. 86-272 "really should, and I think, will matter" as a guardrail against economic nexus.
