Paul Walker-Bright Quoted in *Law360* Article "Biggest Cyber Coverage Decisions Of 2022"

Counsel Paul Walker-Bright, a member of our Insurance Policyholder practice group, was quoted in the article "Biggest Cyber Coverage Decisions Of 2022," which was recently posted on Law360 Insurance Authority.

In the article, Paul discusses a case in which Travelers Property Casualty Co. of America and electronic manufacturing services company International Control Services Inc. agreed to rescind a cyber policy and drop a dispute over coverage of a ransomware attack last August.
