Sonia Menon Quoted in *ABA Journal* Article on Wellness Programs and Recruiting

Sonia Menon, COO, was quoted in the *ABA Journal* article "Warm Welcome: Law Firms Are Using Wellness Programs to Recruit New Lawyers." Sonia discusses the abundant well-being initiatives launched by the firm since it signed the ABA Well-Being Pledge in 2019.

"We know from talking to recruits and individuals we hire that today, most law students and lateral attorneys are looking for firms whose values align with what is important to them, and mental health and well-being are often top of mind," Sonia said.
