William Tarnow Quoted in *Chicago Tribune*

William J. Tarnow was quoted in the *Chicago Tribune* article "Patients Reported Sexual Abuse by Medical Providers. Health Care Systems Let Them Keep Working." The article looks at incidents concerning the prevalence of patient sexual abuse in hospitals in Chicago and across the country, highlighting the challenges faced in preventing abuse. It emphasizes the importance of implementing stronger patient protections, including stricter hiring practices and improved oversight, along with transparency and accountability, to ensure patient safety and well-being. Bill provides insight on how hospitals can proceed once a complaint has been filed.
