### Labor: Beware of Election Backlash

Labor & Employment associate Sonya Rosenberg authored "Labor: Beware of election backlash," which was published on InsideCounsel.com on Nov. 26, 2012. The article discussed how employers should handle election talk in the workplace and addressed the following:

- Should an employer be concerned about "election talk" in the workplace?
- When should an employer draw a line in the sand and put the kibosh on such talk?
- How can an employer best protect itself from related legal exposure?
