Preparing for the Next Generations of Workplace Leaders: How to Attract and Retain Talent While Minimizing Legal Risk

Gerald A. Golden and Sonya Rosenberg, partners in the Labor & Employment practice group, and firm COO Sonia Menon, co-authored the article "Preparing for the Next Generations of Workplace Leaders: How to Attract and Retain Talent While Minimizing Legal Risk," published on March 3, 2017, in the *Bloomberg Law Daily Labor Report*. The article discusses how the generations following the Baby Boomers will shape and legally challenge our organizations.
