### Thomas Campbell Article on SCOTUS and the Scope of Enablement in *Amgen v. Sanofi* Published in *IPWatchdog*

Intellectual Property partner Thomas J. Campbell, Jr., recently authored the article "SCOTUS Takes on Scope of Enablement Inquiry in *Amgen v. Sanofi*: Implications for Pharma/ Biotech and Beyond," published in *IPWatchdog* on November 13. In the article, Tom explains how the Supreme Court will take up a case asking the court to weigh in on whether the quality or quantity of experimentation dictates whether an invention is sufficiently enabled.
