Insurance Case Law Index

This video details the cumulative online database of insurance cases was originally created by NGE Insurance Policyholder counsel Jill Berkeley in 1986 to supplement the hard copy Fifteen-Year Index of The Policy, prepared by Peter C. Morse, and published by the Illinois State Bar Association in November 1986.

The database contains major appellate insurance coverage decisions, both reported and unreported, in Illinois, recent opinions from the Northern District of Illinois, the Seventh Circuit, and a few other jurisdictions, issued from 1986 through the present.
