Seed Round Financing for BioTech Companies: A Roadmap to Long-Term Success

On Wednesday, February 24, Neal Gerber Eisenberg and Portal Innovations hosted a panel discussion about the business and legal factors to consider before launching seed financing for life sciences ventures. NGE Private Equity, Venture Capital & Growth Companies partner Michael Gray was joined by John Flavin, Founder & CEO of Portal Innovations; Lara Sullivan, CEO of Pyxis Oncology; and Geeta Vemuri, Founder & Managing Partner of Agent Capital.
