

Health Advocate

Your resource for help when you need it most.

Health Advocate is offered by the Firm at no additional cost to you. The services are available for all employees, their spouse, domestic partner, dependent children, parents, and parents-in-law.

Services include:

- Finding the right doctor (and helping you make the appointment).
- Transferring medical records (and coordinating the transfer of x-rays and lab results).
- Working with insurance companies on your behalf to get any necessary approvals and coordinate benefits.
- Resolving medical claims and billing issues.
- Answering benefit questions (to help you better understand how your benefits work and find options for non-covered services).
- Clarifying tests and treatments (to help you understand medical conditions, test results, and treatment options).
- Helping with eldercare (assistance with finding adult day care, home health care, and other support services).
